## **[About Worlds]**

A DOKODEMO Door World is a virtual space where you can look up, down, left and right, and experience the World as if you were actually there. Participants can gather together and talk with each other while enjoying travel, live performances, watching sports, etc., in a realistic 360-degree space.

## **[About DOKODEMO Door]**

DOKODEMO Door is a reality “Metaverse space sharing platform” where users and creators (“Metaversers”) can come together to meet new people, gather with friends and family, share experiences, learn new skills and enjoy Metaverse spaces together.

By using the free library of VR content or uploading original 360-degree videos, anyone can easily create a Metaverse space for free and host worlds and Events.

By visiting Worlds, you can enjoy time with friends and family in a private Metaverse space. When taking part in Events, enjoy visiting real-world Metaverse spaces with people from all over the world.

The DOKODEMO Door platform features real-time AI translation, where conversations between users are instantly translated and displayed in their own language, facilitating seamless communication between participants.
